Hi, this is Bob Kingsley...taking a look at what's bubbling just below the hot top 40. Look for an impressive debut by George Strait. His new one, "Check Yes Or No" is really on the move. Alabama's got a brand new one that looks countdown-bound called "In Pictures." And Vince Gill could have himself a second hit within the forty if his new solo release "Go Rest High On That Mountain" jumps into the action. What's hot enough to make it? Tune in and find out...right here on "American Country Countdown." [LOCAL TAG]
