Hi, I'm Bob Kingsley and you know Faith Hill has been perched at the top of the Billboard chart for the past three weeks. Now if she can make it one more, it will be the first time in two years for a female artist to stay at number one for four weeks. Who was the last to do it? It was Faith Hill with her song, "Wild One." Question is, can she do it again. Find out by joining me right here this weekend for "American Country Countdown." [LOCAL TAG]

Hello, I'm Bob Kingsley and if you've been listening to your favorite country radio station this week, you've been hearing some brand new music from Lee Roy Parnell, Shenandoah, Lone Star, and Dwight Yoakam....and that's just to name a few. But have they made it into our Countdown? To find out, tune in right here this weekend for... "American Country Countdown." [LOCAL TAG]

Hi I'm Bob Kingsley and last week could've been called "Ladies Week" here on ACC. You see, Faith Hill was at number one, Shania Twain was at number two, and Terri Clark was at number three, making all three of the top three, by women. Now there are a few guys like John Michael Montgomery, Doug Supernaw, and Joe Diffie trying to work their way in, but last week anyway, the top positions were owned by the ladies. Can they do it again? Find out this weekend on "American Country Countdown." [LOCAL TAG]
