Hello, Bob Kingsley here inviting you to join me as I reveal, one by one, the Top 40 Country songs in the land. I'll have some interesting facts for you, as well as visits from Lee Roy Parnell and Daryle Singletary, and, of course, I'll tell you what the number one song is, according to Billboard magazine. So tune in this weekend, right here, for "American Country Countdown." [LOCAL TAG]

Hi, I'm Bob Kingsley and last week it was the battle of the women for number one and Shania Twain finally knocked Faith Hill out of that top spot. But where there are pretty women, there are always plenty of men. Joe Diffie, Doug Supernaw, and John Michael Montgomery are hoping to make Shania's stay at the top a short one. Well, find out who ends up on top and where all your favorite artists rank this weekend on "American Country Countdown" [LOCAL TAG]

Hi, I'm Bob Kingsley and there is so much happening on the chart right now -- new music from Wynonna, Diamond Rio, Sawyer Brown and Alan Jackson, just to name a few. And keeping track of all the new artists is a full time job. But you can stay informed about that and all that's happening in Country music, by listening to me right here, each weekend on "American Country Countdown." [LOCAL TAG]
