Hi, I'm Bob Kingsley and if you've seen Alan Jackson's latest album, "The Greatest Hits Collection," you've seen the part of the label where it says, "Twenty Songs, Sixteen Number Ones, One That Should've Been And Three That Will Be." Well since the album came out one of those three has made number one, and his latest "I'll Try," was our biggest jumper last week, driving him into the number eight spot on the Billboard chart. Find out this week if Alan moves closer to making good on his promise by meeting me here this weekend for "American Country Countdown!" [LOCAL TAG]

Hello, I'm Bob Kingsley and last week on ACC, Joe Diffie's "Bigger Than The Beatles," ended up being the biggest song in Country music, as he scored his fifth number one hit. Of course with big movers like Martina McBride, Alan Jackson and Wade Hayes climbing up behind him, he's got a few things besides The Beatles to worry about. So what do you think? Can Joe stay the biggest a second week? Find out by joining me right here this weekend for "American Country Countdown." [LOCAL TAG]

So remember, if you want the information and music based on the official Billboard chart....You can only get it right here, on "American Country Countdown"....I'll be looking for ya! [LOCAL TAG]
