Hi, this is Bob Kingsley and every once in a while a song blasts its way up the chart, leap-frogging over all the competition. Garth Brooks did it a few monts ago with "Sho's Every Woman" and last week Brooks and Dunn did it with "My Maria", debuting at 30. Can they sustain that kind of momentum? Join me this weekend and I'll have that information for ya, as well as the rest of the Top 40, right here on "American Country Countdown." [LOCAL TAG]
