

December 15, 1987

Dear Program Director,

If your station isn't playing George Michael's song, "I WANT YOUR SEX," then you might want to delete it from the 1987 Year End Countdown. It ranks as the 24th most popular song. And you'll find it at the beginning of hour 7. That's the first song on side 7A (right after the theme.)

Hope you enjoy the Special...and your holidays!

Sincerely,

Elizabeth Rollins
Producer, American Top 40

And learned "That's The Way It Is", from Bruce Hornsby and the Range. Those were some of the year's biggest hits. But is one of them THE Biggest--Or is it some other song? We'll find out on American Top 40's World-Wide Presentation of the 100 Most Popular Songs of 1987. Straight from the Official Billboard Rankings. That's the year's Top 100 Hits--This New Year's Weekend--on American Top 40.
