1. TO BOLDLY GO WHERE NO COUNTDOWN HAS GONE BEFORE :27

Hey, Shadoe Stevens. This week, it's a special AT40 as we boldly go where no countdown has gone before: We'll countdown Billboard's biggest hits of the week from the bridge of the Starship Enterprise as we take a behind the scenes look with the cast and crew of "Star Trek, The Next Generation". It's chart action at warp speed with exclusive interviews, and much more on the #1 syndicated TV drama in the world! That's American Top 40's special look at "Star Trek, The Next Generation". Right here! (Local Tag)

2. THESE ARE THE VOYAGES OF AT40 :38

Hi, Shadoe Stevens, AT40. Every week, we seek out new facts and trivia on the Billboard chart. Every week, they seek out new life and civilizations among the stars. And this week, we meet. It's an American Top 40 Special; we'll take a behind the scenes look at the #1 Syndicated TV drama, "Star Trek, The Next Generation". We'll have interviews with the Enterprise crew, Trek trivia, and they'll help me count down the biggest hits from the official Billboard chart. It's a "Star Trek, The Next Generation" Special -- this week -- on American Top 40. (Local Tag)

3. JANET'S #1 FUN :26

Hey, Shadoe Stevens, AT40. She's now hit #1 on the official Billboard chart every year for the last three years in a row ... because last week, Janet Jackson returned to the pop peak with "Love Will Never Do Without You". But how long will she stay on top? Coming up from below and looking tough are Damn Yankees with "High Enough". Then there's Surface with "The First Time". Will either group score their first #1? Ah, D'Shadoe knows -- counting down -- on American Top 40. (Local Tag)
