1. Ugly Kid Joe is one of the hot bands from the Isla Vista section of Santa Barbara, home of the University of California at Santa Barbara -- also known as "California's #1 Party School." Klaus Eichstadt from the band told us a little bit about it:

KLAUS EICHSTADT/UGLY KID JOE ACTUALITY: (:1:05) "It's actually, there's probably a zillion bands there and there's like, the place we rehearse at is like a big room with like twenty garages in it... like storage places, so there's just all these bands... anything from like total flash metal bands to totally like artsy like, you know, U2-ish type bands, to like punk bands, reggae bands, I think every type of music. It's weird like somedays you walk by there and it's like everybody's practicing at once and it's just total cacofiney man, and instead of playing at like clubs and stuff, like you would in Hollywood, like the IV scene is like you just, you know, roll your equipment down the block and set it up in someone's front yard and you play, and within half an hour, there will be 200 kids sitting there watching you, you know. Sometimes there'll be like slam dancing, and stuff like that, you know, it gets pretty wild."

2. Patty Smyth is riding the charts with "NO MISTAKES". We talked a little to Patty about her daughter, Ruby Elizabeth. She's seven now... She's old enough, for the past few years to really understand what mom does.

PATTY SMYTH ACTUALITY: (1:01) "We go out to like restaurants she was like 'this is Patty Smyth', and I was like 'don't do that, Ruby'. So no she thinks I don't like doing that, I don't like for her to brag which she does brag, she is into it and she dug it around four or five, when people were recognizing me, she said 'they know you're Patty Smyth', almost like that was someone else, like that's the other me, or something, but she likes it, I told her yesterday that we went to #7, and you know, like stats for her means Toys R Us, you know, a big present from Toys R Us. But, she digs it, yeah, I mean I don't think she's digging the fact that I'm having to travel a whole lot right now, but she's into it."
