TOPICAL PROMOS

AT40 PROMOS FOR SHOW #861-12 ARE LOCATED AT THE END OF 4B

DO NOT USE AFTER 3/22/86

1) STONES KEEP ROLLING ALONG (:20)

Hi, this is Casey Kasem. Back in 1964, the Rolling Stones sang "TIME IS ON MY SIDE." And they were right. Twenty-two years later, Mick Jagger, Keith Richards, and Company are in the Hot 100 with a song called "HARLEM SHUFFLE." Will the Stones roll into the Top 40 this week? We'll have that - and all the Billboard chart action on American Top 40.

2) SUCCESS SUCCEEDS (:22)

Hi, this is Casey Kasem. A glance at the official Billboard chart will tell you that some famous names are close to debuting in the countdown with their latest hits. There's Stevie Wonder with "OVERJOYED"...The Rolling Stones with "HARLEM SHUFFLE"...Dire Straits with "SO FAR AWAY"...and Jackson Browne with "FOR AMERICA." We'll be watching to see who does--and who doesn't--as we count down the biggest hits in the land--on American Top 40.

3) NEW, IMPROVED, AND LOUDER THAN EVER

This is Casey Kasem. One of the most popular bands of the 1980's--re-organized--could possibly debut in this week's countdown. I'm talking about Van Halen. David Lee Roth has left the band. And his replacement is the singin', guitar-playin' Red Roker, Sammy Hagar. How will the new Van Halen do on the official Billboard survey? We'll be tracking 'em on American Top 40.

4) LONG, LONG TIME (:28)

Hi, this is Casey Kasem. It took the San Francisco band, the Starship, 18 years of hitting to reach Number One--which they did last year with "WE BUILT THIS CITY", and again last week with "SARA". Ironically, their challenger for that Number One spot is another band who've waited a long time: Ann and Nancy Wilson's Heart. They're at Number Two with the biggest hit of their ten-year career. Will Heart move the Starship out of that Top Spot? We'll find out on American Top 40.
