AMERICAN TOP 40 ACTUALITIES w. SHOW 15 DISC 4 TRACKS 9,10, & 11

1. Next is the hot new band outta England, Suncream. We spoke with Lucia and Paul about their first hit here in America:

SUNCREEM ACTUALITY: (:22) "When I write, I felt that it was, I've given you everything, I haven't got anymore to give here, you can do all these things and I'll sacrifice myself to you and I just haven't got anymore to give, just can't, ... you've run me dry basically."

2. We recently checked our Archives and came up an interesting conversation with Michael Jackson: He spoke about what it was like when he lived with his brothers and sisters in the Jackson family home:

MICHAEL JACKSON ACTUALITY: (:38) "There was always a lot of singing, a guitar, lot of noise. Lot of grit cans and stuff and grit boxes you could beat on, things like that, and I mean, to me, if you really want to make music, you can make music out of anything... piece of paper, a bag, chairs, anything, and I mean, that's if you really want to make music. That's what we did... we sang everyday. Make noise around the house, Mike was the noisemaker. Just hollars around the house... just makin' noise. Any kind of noise."

3. "BED OF ROSES" marks the return to the Top Ten for the group BON JOVI. And Jon Bon Jovi told us it was a really important song for him:

JON BON JOVI ACTUALITY: (1:26) "Very personal song, one that wouldn't have been finished had Dana Kortchmar not made me finish that song. I went over to his house with about a dozen songs written, and I said well, like here's #13... it's only half finished, but what do you think? It was written on a piano and I only had an acoustic guitar, so it didn't even feel right to play it, but I sang the first two verses and I didn't have a chorus or anything. He says 'whatever you do, go home and finished that song. Get that off your chest, you know, get that out of you!" And it inspired me to go home and get it done, you know, because it was like facing a lot of things that I didn't necessarily know that I wanted people to think. You know, I didn't want them to know that much about me. But he pulled it out of me and I finished it and I was, I'll be eternally grateful for it so it's a very revealing song, a very personal song. When you put your heart on your sleeve, the damage that you can face is that people see that, you know, and you might take a blow that you weren't ready for, you know, you don't want people to know that, then they know that, and then they hit you for it, and you go, oh no, that hurt, even worse than if it was fiction. So, he pulled it out of me and I was daring enough to put it out there, the people and, fortunately, I'm lucky enough the people are liking it."
