1) PRINCE IS KING (:21)

Hi, this is Casey Kasem. Last week, three of the Billboard charts were topped by one act: Prince & The Revolution were at number one on the Pop chart, number one on the Soul chart, and number one on the Dance chart, three number one spots with their one song "KISS." And we'll be watching to see how long they can hold that "KISS", this week on American Top 40.

2) PRINCE TANGLES WITH THE BANGLES (:19)

Hi, this is Casey Kasem. The song at number one last week-- "KISS" by Prince & The Revolution-- was written by Prince. And the song at number two--"MANIC MONDAY" by the Bangles--was also written by Prince. Will the song he wrote for the Bangles knock Prince's own recording out of the number one spot? We'll find out this week on American Top 40.

3) FROM SIDE MAN TO SOLO STAR (:23)

Hi, this is Casey Kasem. Well, another instrumentalist is climbing the chart as a vocalist. He's the good-lookin' Englishman who's been hitting the Top 40 as the bass-playing member of both Duran Duran and The Power Station. Well, now he's solo and he's singing. His song "I DO WHAT I DO" climbed to number twenty-five last week. And we'll be keeping tabs this week on John Taylor-- on American Top 40.

4) ROCK OF THE EIGHTIES (:24)

Hi, this is Casey Kasem. Last week, three of the hottest recording acts to emerge in the 1980's - debuted on American Top 40 with their latest hits. Culture Club came in with "MOVE AWAY." Sade debuted with "NEVER AS GOOD AS THE FIRST TIME." And Madonna debuted with "LIVE TO TELL." How will these trendsetters of the decade do in the Countdown this week? Join me and we'll find out together on American Top 40.
