1. HEART ATTACK :20

Hi, Shadoe Stevens on AT40. In only their 3rd week in the countdown, they've taken their first hit in two years into the top ten -- "All I Wanna Do Is Make Love To You". It's new Heart attack. Will they take their pulse-pounding sound to the very top of the official Billboard chart? There's only one way to find out -- counting down with me, Shadoe Stevens, on American Top 40.

2. THEY SEEK THE POP PEAK :32

Hey, Shadoe Stevens on AT40. Last week, Ireland's Sinead O'Connor spent a second week on top of the official Billboard chart with "Nothing Compares 2 U". But just below, two other hits moved up as they seek the Pop peak: "How Can We Be Lovers" by Michael Bolton, who's looking to follow-up a #1 song -- and "I Wanna Be Rich" by the brother duo, Calloway. Will Michael bolt to that song summit? Will Calloway cash in at #1? Can either compare to Sinead? Ah, D'Shadoe knows -- on American Top 40.
