1. THE KIDS COME BACK :35
Hi, Shadoe Stevens on AT 40. Last week, 43-year-old Movie Star and singer Bette Midler hit #1 for her first time on the Billboard Chart with "Wind Beneath My Wings." But down below the youngsters are on the move. At #2, it's the teenage group from Boston, New Kids On The Block with "I'll Be Loving You." And climbing to #3, was the 20-year-old solo star, also from the Boston area, Bobby Brown with "Every Little Step." Will Bette wing it again on top? Will New Kids have a lovely time? Or will Bobby step up to the top? There's only one way to find out, when we count 'em down this week...on American Top 40.
2. DOOBIE, DOOBIE DOO... :29
Hey, Shadoe Stevens on AT 40. They're celebrating their 20th anniversary this year with a reunion of original bandmembers from San Jose, California, touring the U.S.A. and recording a new album. And now, they're back on the Billboard Chart with a new hit song, "The Doctor." Last week, they made the biggest move in the countdown up eleven notches to #29, their second week on. The Doobie Brothers are doin' it again. Will they take their reunion hit all the way to the top? Ahhh...D'Shadoe knows, on American Top 40.
