OPERATING INSTRUCTIONS

American Top 40 on Compact Disc

Your American Top 40 program will come on four CD discs weekly. Each disc will contain one hour of programming, with disc 1 being show hour one, disc 2 is show hour two, etc.

There are four program segments on each CD called tracks. Each track will end with ABC Radio Network commercials.

TO BEGIN A PROGRAM HOUR, place the proper disc in your player, and cue to "TRACK ONE", for the first segment of the hour.

IF YOUR PLAYER HAS AUTO CUE: Make sure it is working! At the end of ABC's network spot set, pot down the show, and insert your local spots. The CD disc will automatically cue to track 2, which will be the next show segment of the hour. Repeat this procedure at the end of segments two and three. At the end of segment four stop and remove the disc, and go on to the next hour's disc.

IF YOUR PLAYER DOES NOT HAVE AUTO CUE: At the end of ABC's network spot set, pot down the show, and insert your local commercials. From the outcue of ABC's last spot (listed on the cue sheet), you have 2 1/2 seconds of silence before segment two begins. PLACE YOUR PLAYER IN PAUSE before the 2 1/2 seconds expires, and track two will be ready to go. Repeat this procedure at the end of segments two and three. At the end of segment four's network spots, stop and remove the discs, and go on to the next hour's disc.

Compact discs also contain the theme bed and topical promos for American Top 40. Topical promos can be found at the end of CD number four, tracks 6 and 7. The theme bed can also be found at the end of CD four, track number 8.

1. RICHARD MARX THE SPOT :26

Hi, Shadoc Stevens on AT 40. Last week, Richard Marx scored the second #1 of his career, hitting the top of the Billboard chart with "Satisfied." Meanwhile, charging up from below was "Buffalo Stance" by Neneh Cherry and "Baby Don't Forget My Number" by Milli Vanilli. Will Richard stay 'satisfied' at #1? Will Neneh lead a chart stampede? Or will Milli Vanilli give us a ring on top? There's only one way to find out, when we count 'em down...on American Top 40.

2. THIS BAT'S FOR U :24

Hey, Shadoc Stevens on AT 40. And from the summer's most anticipated movie comes the latest release from Prince. The Purple One has recorded music for the Dark Knight...The Caped Crusader..."Batman." Prince's "Batdance" has been winging it's way up the official Billboard chart. Will it make a Bat-Debut? Stay tuned to this Bat-Channel. The hits are yet to come, this week with D'Shadoc...on American Top 40.
