A Special & Exclusive Countdown

"THE 40 BIGGEST HITS OF JOHN, PAUL, GEORGE, AND RINGO -
AS THE BEATLES, AND ON THEIR OWN."

July 4th Weekend

As you know, Casey Kasem has been promoting a Special Countdown of the greatest hits of the Beatles - together and apart - for several weeks on AMERICAN TOP 40. The Special Countdown rolls around the weekend of July 4th. In order to promote the Special on a local level, we are supplying you with a sheet of repro paper on which are printed the graphics for you to use in newspaper ads.

Print ads for the Special Countdown should be built from these elements. The boxed announcement of the Special is designed as a two-column newspaper ad. However, it may be "blown up" to suit your needs. We have provided you with an AMERICAN TOP 40 logo and Casey Kasem's name in case you want to take a crack at designing a Special announcement yourself. Your own art department or the layout person at the publication will know what to do when you present these raw materials.

You, of course, will be required to add such pertinent information as your call letters, your own logo, dial position and dates and times.

A Sample Press Release

"The 40 Biggest Hits of John, Paul, George, and Ringo...as the Beatles, and On Their Own" will be featured in a special edition of the weekly radio program "American Top 40." The four-hour tribute to the musical genius of the Beatles is hosted by Casey Kasem and can be heard on station (calls) on (day and/or date) at (time). "American Top 40" is produced by Don Bustany, executive producer Tom Rounds. The series is produced in Hollywood by Watermark, Inc.
