1. STAYING IN STEP :26

Hey, Shadoe Stevens on AT40. Well, they found their footing with a tuneful toehold at #1 for a second week, taking it "Step By Step". Can anyone match the musical footwork of New Kids On The Block? The best shot on the Billboard chart comes from Glenn Medeiros with Bobby Brown. They bolted up from #9 to #3 with "She Ain't Worth It". Will they get their #1's worth this week? Or do New Kids stay in step? There's only one way to find out, when we count 'em down -- on American Top 40.
