RE: Show #823-3

Casey has the week off for this one.

Sitting in for him is a talent you're very likely familiar with -- a man who's been Guest DJ with us before --- before he got signed to host a competing countdown, The Weekly Top 30.

Right after his Boss Radio days at KHJ in the 70's, Mark Elliott sat in for Casey several times on AT40, then hosted his own show for two-and-a-half years. You're also hearing Mark on the promos for CBS-TV where he's 'the voice' of that network.
