1. **MOVIE MANIA** :30

Hi, Shadoe Stevens with movie mania from Hollywood Hits on AT 40. The hottest movie of the summer has sent a smash by Prince into top ten territory. "Batdance" soared to #6 last week. Meanwhile, down below on the Billboard chart, the biggest new solo star of the past year is moving up fast with a song from "Ghostbusters 2." Bobby Brown is takin' the town with "On Our Own." Will Bobby haunt the Top Ten? Will Prince bring bats to the #1 belfry? Ahhh...D'Shadoe knows...on American Top 40.

2. **SIMPLY MADONNA?** :27

Hey, Shadoe Stevens on AT 40. Last week, the English band Simply Red scored their second #1 song with "If You Don't Know Me By Now." But blasting up from below, looking towards the top of the Billboard chart is Madonna with "Express Yourself." It could become her 8th number 1...and set a new record for solo women in chart history. Will Simply Red remain on top? Or will Madonna express herself at #1 again? There's only one way to find out when we count em' down...on American Top 40.
