1. STORIES FROM THE STARS :25

Hi, I'm Shadoe Stevens. Last week on AT40, Jon Secada talked about success and his family ... Dino explained why he's decided to remake The 5 Stairsteps hit from the 70's, "Ooh Child" and the legendary Barry White remembered exactly why and when he wrote his #1 hit that's now a big remake for Taylor Dayne, "Can't Get Enough Of Your Love". Every week music's hottest stars and biggest names tell stories about themselves and their songs, right here, on American Top 40! (LOCAL TAG)

2. MRS. ROD AND A REASON TO BELIEVE :27

Hey, Shadoe Stevens, AT40. If you missed AT40 last week, you missed a look at supermodel Rachel Hunter, the lovely Mrs. Rod Stewart and we had an AT40 Sneek Peek from Rod himself, an unplugged remake of a song he first hit with 22 years ago, "Reason To Believe". Plus the lady who launched all the unplugged hits last year returned with a Sneek Peek from last week, Mariah Carey debuted with "Dreamlover". Join me this week for radio's hottest songs from the Billboard chart by music's biggest stars, on American Top 40! (LOCAL TAG)

3. SWV RULE SUPREME :36

Hi, Shadoe Stevens. It was hit history last week on AT40 as red-hot SWV became only the second girl group ever with three hits at once in the countdown. The Supremes did it first 24 years ago in 1969 and now SWV have done it in '93 with "I'm So Into You", "Weak" and their latest hit, "Right Here/Human Nature". That's not all, we had the man who holds the record for writing and singing his own hits, 32 for Billy Joel! Join me for all the latest hit facts, stories, interviews, Music News, concert updates and much more, counting down Billboard's biggest hits on American Top 40, right here and only here on (LOCAL TAG)

1. Next, a recent top ten hit for Taylor Dayne -- "CAN'T GET ENOUGH OF YOUR LOVE." It's a remake of a #1 song almost 20 years ago by Barry White. We asked Barry if he remembers writing it:

BARRY WHITE ACTUALITY: (:24) "It was on a Thursday night, I went to bed and I woke up, made love to my wife. She went to sleep and I got up and went to the kitchen and wrote that song. Just like that (clicks fingers). Lyrics just tumbled off, 'Can't get enough' was the fastest-rising song in my career. It was number one in two weeks".

2. "I'M FREE" is the song that's become JON SECADA's fourth big hit in-a-row. That's a lotta success... and he's been loving it -- but a couple of people may be loving it more:

JON SECADA ACTUALITY:(:31) "My family's enjoying this one hundred percent. My parents, they know more about the charts than I do, as they keep up with Billboard and everything that's happened more than I do. They're really so well informed, they know all the other stats, all the formats, they're familiar with everything and yet they're very happy for my success and I'm happy they're a part of it, 'cause they've really given so much to me, I'm an only child so, my folks, that's all I got in this country and I'm quite happy with the way everything's going."

3. You ever wonder why a singer decides to redo a particular old song? We do -- so we asked DINO why he redid the 5 Stairsteps Top Ten from the 1970s -- "OOH CHILD."

DINO ACTUALITY: (:34) "Well, I always wanted to do a remake on this album so I've had a few options in my head and I was flipping through the radio dial and "Ooh Child" was on one of the oldies stations and I'm like, ok, I kind of remember it from when I was little and I was like, that's a cool track, that could be something. So I went into the studio and I recorded it, and it came out great so when I played it for the record company, they flipped and they were like, yeah, we got to put this on the record. It was after the L.A. riots and there was a lot of tension and that song just has a very positive message, things are gonna get better, and it ended up being the first single and we're real happy with it."
