AMERICAN TOP 40 TOPICAL PROMOS #863-8

DO NOT USE AFTER 8/24/86

(Located on side 4A)

863-8A #1, Tough Hit to Follow (:24)

Hi, this is Charlie Van Dyke for Casey Kasem. Two months ago, Patti LaBelle was at Number One with "ON MY OWN"; now she's about to debut in the Forty with "OH PEOPLE." Six weeks ago, the English band Simply Red were at Number One with "HOLDING BACK THE YEARS." Their follow-up, "MONEY'S TOO TIGHT TO MENTION", could also debut in the Forty this week. How tough is it to follow up a Number One song? We'll be looking for the answer--on American Top 40.

863-8B Top Gun Fires Again (:22)

Hi, this is Charlie Van Dyke for Casey Kasem. The hottest movie of the summer has been "Top Gun." The soundtrack album hit Number One--and has sent two songs into the Top 40: "DANGER ZONE" by Kenny Loggins and "TAKE MY BREATH AWAY" by Berlin. And now here comes a third "Top Gun" hit "HEAVEN IN YOUR EYES" by Loverboy. If it goes full throttle it could be in the countdown this week--on American Top 40.

863-8C Sermon at the Top (:23)

Hi, this is Charlie Van Dyke for Casey Kasem. Last week, Madonna hit Number One with "PAPA DON'T PREACH." And she's got a good chance to stay in the top spot--because only one hit has potential to move her out of Number One: "HIGHER LOVE" by Steve Winwood. Steve leaped from eight to four last week. We'll see which prevails this week--higher love or poppa's preaching--as we follow the action on American Top 40.

863-8D Run DMC, Run (:24)

Hi, this is Charlie Van Dyke for Casey Kasem. The record that debuted the highest on American Top 40 last week--up at Number 30--was different. It was the first hit by a rap act to make the Top Forty in the 1980s. A trio called Run DMC, and their rap is well known in the streets. So what does it mean? Is one rap record gonna set a trend? Too soon to tell. But we'll be covering all the action--trendy or traditional--on American Top 40.
