1. CONFUSED? (:28)

Hi, this is Shadoe Stevens on American Top 40. Want to hear about a confusing countdown? Well, we've got a group named New Kids on the Block, who are produced by the same guy who originally produced another group in the survey, New Edition, while, at the same time we've got an ex-member of New Edition, Bobby Brown, with his first solo hit, called "DON'T BE CRUEL", right along side another song called "DON'T BE CRUEL" by Cheap Trick, Got it? Well, if you didn't understand all, or any part of this message— I'll explain it all this week -- on American Top 40.

2. BRITISH HEAVYWEIGHT BOUT (:28)

Hi, I'm Shadoe Stevens on American Top 40. And LOOK OUT, Steve Winwood is on a roll. His smash hit — "ROLL WITH IT" has been #1 for 4 weeks now -- and just last week his album, "Roll With It" topped the album chart. Now, will Steve keep things --ahem-- 'rolling' this week? ...Because a plucky fellow Englishman by the name of George Michael looks like he might swing on up to the #1 Pop Peak with his hit, "MONKEY". Get a ringside seat for the showdown between two British hit heavyweights-- on American Top 40.

3. MONKEY MAN (:26)

Hi, I'm Shadoe Stevens. His last three hits from his album "Faith", ALL went to #1. And now, his latest smash hit, "MONKEY" has climbed to #2, poised precariously below the coveted #1 spot on the Official Billboard Chart. Can George Michael make it four #1's in a row -- and become the third artist in history to get four #1's from the same album? We'll have the answer to those questions and many more this week on American Top 40.

4. GREATNESS IN THEIR GRASP (:27)

Hi, I'm Shadoe Stevens on American Top 40. Ya know, lots of hits are lined up on the Billboard Chart looking to make a debut in this week's countdown. There's Poison with their latest toxic tune "FALLEN ANGEL". There's the Miss America who fell from Grace -- Vanessa Williams, with the "RIGHT STUFF". There's Bruce Hornsby and the Range, with "LOOK OUT ANY WINDOW". And there's pop's prom princess, Debbie Gibson, and "STAYING TOGETHER". Who'll debut? Find out--on American Top 40.
