

TO: AT40 SUBSCRIBERS
FROM: TOM ROUNDS, WATERMARK

SEPTEMBER 9, 1978

Good old Meatloaf is back with an 8 minute record that could bring the wrath of some of your more outspoken listeners down upon you. We have edited it down to 5:00, but I guarantee you if played in any length it will get all kinds of response, some of which may be rather nasty.

We always play everything that makes the Forty and we advise you to exercise your own discretion in exorcizing this demon from the Countdown. You'll find it conveniently located, this week at least, at number 40... first record in the show.

As a reminder, there are just three weeks to go until AT40 enlarges to a four hour show. There'll be lots of new ingredients in the Countdown, and we're eager for your reaction.

Thanks!
