1. ONCE BITTEN, TWICE SHY?

Hi out there -- Shadoe Stevens on American Top 40. Last week, Bobby McFerrin reigned supreme at #1 on the official Billboard Chart for a second week with "DON'T WORRY, BE HAPPY". But the vocalist extraordinaire better worry -- because clawing their way to #2 in a carnivorous fashion were those fierce felines, Def Leppard, with "LOVE BITES". They'd like to sink their teeth into #1. We'll do our weekly chart-check-up -- and floss, too -- on American Top 40.

2. THE AMAZING, INCREDIBLE, 'INDESTRUCTIBLE' FOUR TOPS!

Hi Shadoe Stevens, here on American Top 40. Last week, the group who've been performing together longer than any other -except 'family' acts -- returned to the countdown. They've been together for 34 years -- the "Indestructible" Four Tops. And that's the name of their new hit -- "INDESTRUCTIBLE". The Four Tops are spinning in a dizzy delight -- on American Top 40.

3. THE RECORD THAT WOULDN'T DIE

Hi -- Shadoe Stevens on American Top 40. Five years ago, this record first hit the Top 40, reaching #34. Then just a few months ago, a radio station in Phoenix, Arizona started playing it again -- only to set off a dynamite-packed chain reaction across the country -- as more and more stations were playing this record again. The record label re-released it as a single -- and UB40's "RED, RED WINE" returned. Now enjoying a new countdown life, it leaped from #13 to #5 last week. "RED, RED WINE" has the beat so fine -- on American Top 40.

4. ALL U.S. ROCKERS DO THEIR BEST FOR JOISY-MAIDS

Hi out there. Shadoe Stevens on American Top 40. They had the #1 album of last year "Slippery When Wet". Now those all-American rock 'n' roll boys are back with a new album proudly named for their home -- the Garden State -- "New Jersey". The First Single Bon Jovi have prescribed for the official Billboard chart is "BAD MEDICINE". Last week, it debuted in the countdown. Will Bon Jovi give us a taste of "Bad Medicine" at the very Top? We'll check the pulse of this week's pop world -- on American Top 40.
