1) YA' LOSE ONE, YA' WIN ONE (:25)

Hi, this is Casey Kasem. When the band Boston made their debut ten years ago, their first album became the biggest-selling debut album by any Rock Act in history. Their second album hit number one, and now Boston's third album, "Third Stage," is currently number one. And their first hit song from that album, "AMANDA," was number four last week and climbing. Let's see where it lands this week, on American Top 40.

2) CHIVALRY AT THE TOP OF THE CHART? (:27)

Hi, this is Casey Kasem. For the past four weeks, the number one spot in the countdown has been occupied by the women: two weeks by Janet Jackson, and two weeks by Cyndi Lauper. And right behind Cyndi last week was Tina Turner at number two with "TYPICAL MALE." And one of those typical males was right behind her at number three: Robert Palmer with "I DIDN'T MEAN TO TURN YOU ON." So how are they going to line up when the dust settles this week? We'll be checkin' it out, on American Top 40.

3) FROM OUT OF THE PAST, A CLOUD OF DUST AND A MIGHTY "STAND BY ME" (:21)

Hi, this is Casey Kasem. Last week, a 25 year old hit single made the Top 40 again. The song "STAND BY ME," by Ben E. King, featured in the current hit movie "Stand By Me." Back in 1961, Ben E. King took the same recording to number four. How high will it climb this time? We'll stand by and watch, on American Top 40.

4) THE STORY YOU'RE ABOUT THE HEAR IS TRUE (:27)

Hi, this is Casey Kasem. One of the new movies getting a lot of press is the film "True Stories." The movie's director, co-writer, and star, David Byrne, recently made the cover of "Time" Magazine. David also happens to be the leader of the band Talking Heads. They're climbing Billboard's Hot 100 chart with a song written for the film "True Stories." It's "WILD WILD LIFE." Will Talking Heads make a wild wild debut this week? We'll find out when we count 'em down, on American Top 40.
