Hi, Shadoe Stevens, AT40. Last week, we checked out artists who've hit with both live and studio versions of the same song, like Rod Stewart with "Reason To Believe." In AT40 Music News, we had the latest acts voted into the Rock'n'Roll Hall Of Fame, including Rod, Elton John, John Lennon and Bob Marley. AT40 ACTUALITIES w. SHOW #46

1. MADONNA ACTUALITY: 26

We asked the Most controversial artist of the last decade about the message behind her music and here's what Madonna had to say:

"I guess I deal with a lot, mostly in the arena of sexuality, of understanding your own sexuality, of self-love, and...I think ultimately, the message of my music and what I do is slowly sinking into people, where in the beginning, I think they were real shocked by it and now maybe people are sort of catching up, getting used to me."

2. TONY TONI TONE ACTUALITY: 31

As the latest generation of groups to come out of Oakland, California, we asked Tony, Toni Tone about Oakland music and Dwayne Wiggins talked about the sound of the city:

"Basically, it's Sly Stone, Larry Graham, Graham Central Station, Tower of Power and there's lots of other people. Pointer Sisters and all that stuff...in the Bay Area...the Spinners. And I think the Oakland sound is not really a sound, it's more of an attitude, the way we execute our music on stage, whatever...performance-wise, the energy that comes out in it and everything it's just like a whole Oakland vibe. You know how on the East Coast New Yorkers have a certain feeling and you can tell when someone's from New York. Well you can tell when someone's from Oakland when you see them perform."

3. JANET JACKSON ACTUALITY: 32

If You've ever wondered what Janet Jackson looks for in a dancer for her tours, listen to this:

"I think the most important thing, obviously being funky as well as being able to do a lot of the technical stuff. But more important than that to me is the attitude, not just their attitude dancing but their actual attitude. And you can tell if they're a really good person from the heart, And just someone who likes to have a lot of fun -- that's what's most important to me. I think we had like a thousand or so kids that actually auditioned. The day I flew in, right from airport I went to right to the audition -- the last few kids and from there we got our eight."

4. TONI BRAXTON ACTUALITY 27:

:Toni Braxton told us about some of her earliest inspirations in music:

"Actually, the first song that I liked was 'Do you know the way to San Jose?' and I don't even know of that's the name of the song, by Dionne Warwick. It's my favorite song. I never really heard it on the radio, but you know, on the 'Best Hits from...' and on television...and I heard that song and said, 'oh that's such a pretty song.' So I'd say she was the first one to inspire me to want to really sing like that. Aside from my mom; me and my mom sang opera. She sang it in high school and she was going to sing it in college, but she fell in love and got married, she and my dad and had me and my little sisters but she always sang it around the house and we would try to mimic her. She kind of trained me and my sisters and my brother to sing."
