WITH CASEY KASEM

TOPICAL PROMOS

TOPICAL PROMOS FOR SHOW #874-7 ARE LOCATED AT THE END OF SIDE 4B

DO NOT USE AFTER NOVEMBER 15, 1987

1) A WOLF AND A SNAKE ON THE CHART (:30)

Hi, this is Casey Kasem. Recently two bands new to the countdown conquered it. Los Lobos went to the top with their first Top 40 hit — "LA BAMBA", and Whitesnake did likewise with "HERE I GO AGAIN". Now, these two bands are following those smashes with two more songs — and they also look like smashes. Los Lobos is climbing the chart with "COME ON, LET'S GO" and Whitesnake is right behind 'em with "IS THIS LOVE". Is this deja vu? Los Lobos and Whitesnake trying to do it again -- on American Top 40.

2) POP CHART ROYALTY (:23)

Hi, this is Casey Kasem. Last week at Number One we got a big surprise...the 80's chart queen, Madonna, was blocked out of the Number One spot — by the chart's new reigning princess — Tiffany. Her first Top 40 hit "I THINK WE'RE ALONE NOW" jumped right over Madonna's "CAUSING A COMMOTION" to claim Number One. Will Tiffany be able to fight off Madonna for the crown? Well, we'll just wait and see — on American Top 40

3) THE BIGGEST STARS IS NO LIE (:22)

Hi, this is Casey Kasem. And if you've heard me say -- "the biggest hits by the biggest stars" lately, well I'm not foolin' around. Listen to the names we've got in the countdown...Madonna, Michael Jackson, Fleetwood Mac, Bruce Springsteen, U2, Prince, George Michael, Stevie Wonder... it's like a Who's Who of the record industry. And they've all got hot hits fighting for that Number One Spot -- on American Top 40.

4) HERE COMES GEORGE HARRISON (:23)

Hi, this is Casey Kasem. And here comes the man who was one-fourth of the hottest pop act ever in the history of the charts -- the Beatles. He's the quiet one -- George Harrison -- and after five years of silence he's makin' noise with a new album called "Cloud Nine". The first single "GOT MY MIND SET ON YOU" looks like it's set on the countdown. George Harrison -- gettin' back -- on American Top 40.
