★ TOP 40 ★
WITH SHADOE STEVENS

November, 1991

Dear Program Director:

As we approach the holiday season, I want to remind you that the **AMERICAN TOP 40** Year-End Countdown of the Top 100 Songs of 1991 is coming to you the *last weekend of December*.

This program replaces show #52 for the weekend of December 28-29, 1991. It runs 8 hours, and contains the same inventory as the regular Countdown: 6 minutes/hour Network/6 minutes/hour Local.

The broadcast window for the Year-End Countdown is Saturday, December 28 - Wednesday, January 1, 6AM-12 Midnight. You may play this Special as many times as you like during the window. Promos for the show will be provided on your weekly AT40 in December, and will also appear on the Year-End show.

You do not have to sign up for this show if you are a weekly AT40 affiliate. It will automatically come to you in place of your regular show. If you have not received the AT40 Year-End Countdown by Wednesday, December 25, please call ABC Watermark at 1-800-423-2502.

If you have any additional questions, please don't hesitate to call!

Wishing you and yours a happy and healthy holiday!

Regards,

Cindy Grogan

1. BOLTON BALLAD BLASTS UP BILLBOARD CHART :31

Hey, Shadoe Stevens, AT40. Last week, he took his remake of "When A Man Loves A Woman" all the way to the top of the official Billboard chart, as Michael Bolton scored the second #1 of his career. But will he still be loving his woman at #1 this week. Look out below! Here comes Boyz II Men and their sentiment-drenched a cappella hit, "It's So Hard To Say Goodbye To Yesterday". And what about P.M. Dawn the spacey hip-hop sensearound sound that finds "Set Adrift On Memory Bliss"? Anything can happen, when we count 'em down -- right here -- on American Top 40. (LOCAL TAG)

2. ALL THE HITS PICKED TO CLICK :23

Hi, I'm Shadoe Stevens. Every week on AT40, we cover the country, with the 40 top songs from the most respected music chart in the world, the Billboard chart. It's the music all of America is listening to, from California to the New York Islands, from the Redwood forests to the Gulf Stream waters, these hits were made for you and me. And we count 'em down, from 40 to #1 right here -- on American Top 40. (LOCAL TAG)

3. BLACK OR WHITE A HIT ALL OVER :26

Shadoe Stevens, AT40. Unless you've been hiding from the world, you must have seen the video and know about the controversy, you've heard the song and one thing's for sure, it's a giant hit right out of the box. Hard to imagine Michael Jackson not skyrocketing to the top with "Black Or White". But how fast will he climb the official Billboard chart as once more he reaches for the pop peak? Ah, D'Shadoe knows -- counting 'em down -- right here -- on American Top 40. (LOCAL TAG)
