From: ABC Watermark

This year, "American Top 40" expands its annual holiday celebration with four more hours of programming.

New Years weekend (December 31 - January 1), is Casey Kasem's special countdown of the 100 biggest hits of 1983. It's a continuous 8 hour blockbuster that starts at number one hundred and plays all of the year's biggest hits straight through to number one. AT40 will calculate these rankings based on Billboard's weekly charts.

A regular weekly countdown show will air Christmas weekend, December 24 - 25. Our schedule calls for the Christmas weekend show, #834-13, to be shipped from Los Angeles on December 19 along with the eight hour New Year's weekend package, program #834-14.

Casey will voice promos for the Top 100 and they will be included on the show disc.
