RE: Year End Specials: "The Top 100
Hits of 1980," #804-13 and #811-1

Those of you who are running the shows on a normal schedule don't need to read any further.

For those of you who are running the two shows back-to-back as a continuous eight-hour show, we've built in an edit point to enable you to gracefully eliminate the Closing at the end of Side 4B/Show #804-13.

After song #51, Casey leads out with, "Kool and the Gang with TOO HOT, the 51st most popular song of the year on American Top 40." At this point, cut away to a local ID, promo, commercial, or whatever, before starting Show #811-1.

Please audition it first and, if you have any questions, give us a call.
