Re: Listening Directory and Station I.D.'s and Upcoming Special

Friday, June 7, 1974

1. Enclosed, a few copies of "The American Top 40 Worldwide Listening Directory" (1974 edition). Starting with program 742-11, we'll be promoting the fact that copies of the Directory will be available at subscribing stations. We suggest you lay in a stock by writing to :

Jody Tucker
Customer Relations Rep.
Watermark, Inc.
10700 Ventura Blvd.
No. Hollywood, CA 91604

Please specify the desired quantity. You may not get all copies you asked for, but we'll do our best. We don't expect incredible response, and 50 copies will probably hold you for now. We'll be going into a second printing around July 1.

Remember the concept behind the Listening Directory: subscribing stations are actually cooperating to trade listeners as they move around the country. AT40 listeners on vacation or relocating will relate best to the station carrying AT40 in the new location.

2. The station I.D.'s we requested a couple of weeks ago are coming in at the rate of about 5 per day. We'll start using them in the show as soon as we've amassed a hundred or so. They'll be laid in over intros, etc. in collage style and should be fairly fascinating listening. Just get one of your guys to tape a typical station I.D. including call letters, town and state plus any little interesting tidbit (10 words max) about the station, territory served, etc. if you'd like. 7½ IPS, full or ½ track mono, 1½ mil tape, please. Send the I.D. tapes to Jody. Any questions, call me collect.

3. "The 40 Top Singles Artists of the Seventies". It's being produced today, for shipment June 28 and broadcast the weekend of July 6-7. The Beatles, Elvis and all the other 50's and 60's giants that have continually dominated AMERICAN TOP 40 special countdowns won't even appear. It'll be an interesting slice of contemporary rock history with plenty of surprises and grabber stories. The gimmick, of course, is a nostalgia show on the 1970's. A little strange until you realize the decade will be half gone by the end of this year.
