EXTRA HOLIDAY PROGRAMMING

Because Christmas falls on a weekend this year we've decided to re-issue a 1973 American Top 40 special titled "The All Time Christmas Countdown". Several subscribers inspired the re-issue idea; they had decided to hold off the 8-hour "Top 100 of 1976" special until New Year's weekend and asked if we had anything to run on Christmas weekend, in place of #764-13 on December 25-26. So we've pulled the master tape out of the archives and we're pressing a limited number of copies of "The Christmas Countdown". It runs according to the standard 3-hour AT40 format. All 1973 references have been deleted, and the music and stories are timeless.

To order the American Top 40 "All Time Christmas Countdown", tear off the coupon and get it to us no later than December 1. License fee is \$50, and we'll add the amount to your bill for January shows. Questions or late orders? Call Jeff, Brian or Steve at (800) 423-2502 or (213) 980-9490.
