RE: Guest Host- Show #783-2

June 30, 1978

Mark Elliott joins the AT40 crew again this week to lend his clear and incisive style to the countdown as guest host. And "clear and incisive" we really need because there are 16 records presently in the countdown that weren't there two weeks ago. (Last week the "40 Top Acts of the Seventies" special ran). This is more chart activity than we've seen in any two weeks so far in 1978 and we think it's great. In fact it's what AMERICAN TOP 40 is all about.

Casey is filming a theatrical feature this week and will return to his post in #783-3.
