RE: Possible Postal Strike

As you may have heard there is a remote possibility that the United States Postal workers will strike if their contract is not renewed by July 20, 1978.

If there is a strike Watermark will use UPS Blue Label Service for American Top 40 program shipments. We are aware of the fact that UPS does not service every city in the United States, and we will be in touch with you to arrange an alternate delivery system if your station is in one of these cities.

I strongly suggest that you locate the last two American Top 40 specials (#782-1, "The 40 Biggest Hits Introduced by the Movies" and #783-1, "The 40 Top Recording Acts of the Seventies"). If there is a postal strike and we are unable to deliver a program, these specials can be broadcast in place of the regular weekly show.

The local Los Angeles post master assures me that there will not be a strike, but we felt we should alert you to the possibility.

Strike or not the countdown will roll on.
