Re: WORLDWIDE LISTENING DIRECTORY

Summer is almost upon us and it's time once more to go to press with the 1981 edition of the Worldwide Listening Directory. We expect to have them completed towards the end of May, and you'll be receiving a batch of them.

In the meantime, I'd like to do an update on the information. Enclosed is a rough (prior to typesetting) copy of our computer readout of call letter, day, time and dial position information as reported by you. Please check your own call letters to see if everything's correct.

If you find an error, or you've made changes we don't know about, please call our toll-free number, (800) 423-2502 (Alaska, California, Hawaii call (213) 980-9490), and ask for Beth. She'll make the necessary changes and we can go to the printer.

IF WE HAVEN'T HEARD FROM YOU BY FRIDAY, MAY 8, 1981, WE'LL ASSUME YOUR LISTING IS CORRECT AND PROCEED ACCORDINGLY.

Thanks for your attention to this.
