RE: Show #824-1, Guest DJ

When it came time to do this week's show, Casey couldn't talk. Laryngitis. So we made a fast call to Mark Elliott, and Mark made a fast trip to the Watermark Studios to do his customary fine job of Guesting. You probably remember that Mark sat in for Casey eleven shows back.

You needn't bother with external announcements since we explain the reason for Casey's absence six or seven times within the program.
