RE: WORLDWIDE LISTENING DIRECTORY

It is time once more to update and print the 1983/1984 edition of the WORLDWIDE LISTENING DIRECTORY. We expect to have it completed toward the end of May, and we'll send you a supply then.

To ensure its accuracy, I'd like to update all of our information. Attached is the 1982/1983 edition. Please check your country and call letters and the other information on your station very carefully to see if everything is correctly identified. If not, fill the bottom portion of this memo with your current information and return to me.

RE: WORLDWIDE LISTENING DIRECTORY

It is time once more to update and print the 1983/1984 edition of the WORLDWIDE LISTENING DIRECTORY. We expect to have it completed toward the end of May, and we'll send you a supply then.

To ensure its accuracy, I'd like to update all of our information. Attached is a rough copy of our computer readout of ATF stations. Please check your call letters and the other information on your station very carefully to see if everything is correct. Verify that your market area is correctly identified. If not, make corrections in colored ink and mail them back to me right away. My corrections MUST come from you, so please respond.

Mail corrections no later than April 8, 1983. Or call our toll-free number (800) 423-2502. From Alaska, California and Hawaii call (213) 980-9490. Ask for Beth, ext. #206. I'll make the necessary changes and we can go to the typesetter.

PLEASE RESPOND IMMEDIATELY TO: WATERMARK/ATF LD CORRECTIONS
10700 Ventura Blvd.
No. Hollywood, CA 91604

ATTN: BETH FLAUDING

IF I HAVEN'T HEARD FROM YOU BY FRIDAY APRIL 8, 1983, I'LL ASSUME YOUR LISTING IS CORRECT AND PROCEED ACCORDINGLY.

THANK YOU IN ADVANCE FOR YOUR COOPERATION.
