RE: Show #833-7, weekend of August 13-14

Casey's taking a midsummer break this week and we went downtown for a Guest DJ. That's where we found Keri Tombazian working the 6-10PM slot at KRTH (K-Earth 101) here in Los Angeles. Before she joined KRTH's oldies-dominant rock format, Keri worked the big bands and jazz at KGIL. That was after she cut her teeth on soft rock at KORJ.

Keri was born and raised in Southern California, and shw hasn't had to leave home to find work. By the way, if her voice is familiar even though you don't receive LA radio, it's because she also does a lot of voice-over work (Purex, Mattel, American Express, Chrysler).

She does a nice job sitting in for Casey. (He'll be back next week).
