Re: Satellite Delivery of AT40

The following is a breakdown of information and satellite feed times for American Top 40. Please post for future reference.

Weekly Feed Schedule -- ALL TIMES EASTERN

Wednesday 7pm - 11pm. . .Satcom 1R, Transponder 23, channels 12 & 13

Thursday 11am - 3pm. . .Satcom 1R, Transponder 23, channels 12 & 13

Saturday 1am - 5am. . .Satcom 1R, Transponder 23, channels 12 & 13

Each hour feed begins at the top of the hour and runs at real time with network commercials included. Each hour runs approximately 55 minutes. . .followed by silence, to allow time to change tape. Topical promos will be fed at the end of hour four. . .as well as any advisories regarding the program and commercials.

When playing back the program and inserting your commercials, the format is the same as it was with disc. Approximately one second separates the network commercial from the jingle that gets the program rolling again. Cue sheets and format clocks will be sent under separate cover with no change in their design.

The following is an example using the 11am feed:

10:55:00am	Tone feeds: 60hz, 15k, 1k, 10k, 40hz followed by a two minute countdown with the last ten seconds prior to the start of the program being silent.
