DO NOT USE AFTER OCTOBER 6, 1985.

1) MIAMI VICE UBER ALLES (:26)

Hi, this is Casey Kasem. Last week on American Top 40, a popular TV cop show did what no other TV show has ever done. Two songs generated by the TV show "MIAMI VICE" were in the Top 40 at the same time...the show's theme by Jan Hammer, and "YOU BELONG TO THE CITY" by Glenn Frey. And the new TV season has only just begun! Whatever happens on the Official Billboard chart, you'll hear about, on American Top 40.

2) WHAMMA LAMMA DING DONG (:23)

Hi, this is Casey Kasem. Last week on American Top 40, the English duo called Wham! leaped from number six to number three with their song "FREEDOM". And if Wham! keeps up that momentum, they'll set a new record this week! If they hit number one, they'll become the first act in history to get four number one songs from one album! If it happens, you'll hear about it this week on American Top 40.

3) MADONNA MEETS CYNDI (:25)

This is Casey Kasem from American Top 40. Y'know, in chart history, only one woman has ever placed four songs from one album in the Top Five. That's Cyndi Lauper. But this week, a second woman is poised to tie Cyndi's record...Madonna is at number six with what could become her fourth Top Five hit from the same album. Will she make it? Find out when we count down the Official Billboard chart on American Top 40.

4) GROUPS BATTLE FOR NUMBER ONE (:21)

Hi, this is Casey Kasem. Last week on American Top 40, the English band, Dire Straits, held at number one for a second week...against pressure from Kool and the Gang. This week, Kool and the Gang are still pressing for number one...and so is Wham! So who'll be on top when the dust settles? Join me for that and all the Official Billboard action on American Top 40.
