1) CALL ME MISTER (:20)

Hi, this is Casey Kasem. Last week, the group Mr. Mister hit with their second Number One Song in a row with "KYRIE." They're hot. But are they hot enough to keep James Brown's "LIVING IN AMERICA" or the Starship's "SARA" from taking over the Number One spot? We'll see what the official Billboard survey says about that on American Top 40.

2) SUMMIT CONFERENCE (:25)

Hi, this is Casey Kasem. There seems to be a wave of national consciousness sweeping over song writers and recording artists these days. In the Top 40 last week, we had "LIVING IN AMERICA," by James Brown, "R.O.C.K. IN THE U.S.A.," by John Cougar Mellecamp, "CALLING AMERICA," by Electric Light Orchestra, and "RUSSIANS," by Sting. Sort of a musical Summit Conference. We hear it all on American Top 40.

3) THE PURPLE ONE RETURNETH (:28)

Hi, this is Casey Kasem. One of the sure bets to debut on American Top 40 this week is Prince & the New Power Generation's latest song, "KISS." It was at number 41 in the Hot 100 last week. It's from Prince's upcoming movie, "Under the Cherry Moon," and the big screen has been very good to Prince. The soundtrack album from his first film "PURPLE RAIN," gave him Five Top 40 hits. Will the "Cherry Moon" shine bright for the man from Minneapolis? We'll be watching--on American Top 40.
