1) SOUL QUEEN AND A TEEN KING (:18)

Hi, this is Casey Kasem. We could have a new number one song this week, a song that's already hit number one over in Britain. It's by English singing star, George Michael and the Queen of Soul, Aretha Franklin. Their hit "I KNEW YOU WERE WAITING" has been waiting for its chance to hit the top. It could happen on American Top 40.

2) ADAMS FIRES UP THE CHART (:16)

Hi, this is Casey Kasem. Last week, the first official cassette single debuted in the countdown. Bryan Adams latest hit, "HEAT OF THE NIGHT" is the first song release on both vinyl and cassette tape. It's burning up the chart, as we count down the hits every which way they come, on American Top 40.

3) MANY SOUNDS TO BE FOUND (:24)

Hi, this is Casey Kasem. Among the hits that could debut this week are: the latest from Lionel Richie, a song with a touch of reggae rhythm, called "SE LA." A new song from the English group inspired by American Soul, Simply Red with "THE RIGHT THING." And there are the Cover Girls, a new act with a hot new Dance hit, "SHOW ME." We'll show 'em all if they make the right moves on the official Billboard Chart right here on American Top 40.

4) PRINCE SIGNS INTO THE TOP TEN (:17)

Hi, this is Casey Kasem. Last week the Minneapolis music master leaped into the top ten at number seven with his latest hit, "SIGN 'O' THE TIMES." And all the signs say that Prince could have his fourth number one chart topper. Time, and the official Billboard Chart will tell, on American Top 40.
