1. **R(APIDLY) E(NTERTAINING) M(USIC)** :26
Hi, Shadoe Stevens on American Top 40. Once, this four-man band from Athens, Georgia were critical and cult favorites. Then, a year and a half ago their album, "Document", gave them their first Top 40 hit, and it shot into the Top Ten the song "THE ONE I LOVE." Now, R.E.M. are a band a lot of people love. They're moving up the Billboard Chart with a new hit, "STAND." R.E.M. may find themselves standing in the countdown this week and debuting on American Top 40.
2. **HE SAID HIS NAME WAS TONE AND HE'D CALL #1 HIS HOME** :22
Hey, Shadoe Stevens on American Top 40. This Rapper came up from the streets of Los Angeles to assault the Billboard Chart with his first hit, "WILD THING." Tone Loc has been moving fast up the countdown and, last week he reached #2. If he hits the top, it'll be the first time a real rap record has hit #1. Will Tone call #1 home? Ahh, D'Shadoe knows on American Top 40.
3. **IT'S A BIRD. IT'S A PLANE. IT'S...KARYN WHITE** :30
Hi, Shadoe Stevens on American Top 40. This singer from Los Angeles first hit the chart last year, singing "THE FACTS OF LOVE," a hit for Jazz-Fusion Keyboardist Jeff Lorber. Recently, she hit solo for the first time with a Top Ten song, "THE WAY YOU LOVE ME", and now, Karyn White is moving up the Official Billboard Chart with her follow-up--it's already hit #1 on the Black Singles Chart--"SUPERWOMAN." This is no Kryptonite Countdown and Karyn White could fly in faster than a speeding bullet and debut this week on American Top 40.
4. **ROY RETURNS** :31
Hi, Shadoe Stevens on American Top 40, where the velvet voice of a rock 'n' roll legend has returned. Roy Orbison died last year, but the music he recorded before he died is on the charts now--music he made with the Traveling Wilbury's and on his own solo album, "Mystery Girl." Last week, Roy Orbison's song "YOU GOT IT" debuted in the countdown, bringing him back to the Top 40 after more than 22 years. It could become his first Top Ten hit in 25 years. We'll find out, as we count down the Official Billboard Chart, on American Top 40.
