

ATTENTION ALL AFFILIATES!!!

Since we began producing American Top 40 on Compact Disc, we have been looking for the most efficient way to ship them to you. We have found that United Parcel Service (UPS) second day air is the most effective.

This is to inform you that beginning immediately, all compact disc affiliates will begin receiving their shows via UPS second day air. Discs should be arriving at your stations no later than the Wednesday prior to air date. If by **THURSDAY** you have not received your discs, please do not hesitate to contact our office for a rush shipment. Our toll-free number is **800-423-2502**.

If you have any questions, please do not hesitate to contact me.

1. TOUGH ON TOP :28

Hey, Shad战略 Stevens here. Last week on AT 40 Richard Marx was at number one for a second straight week with "Right Here Waiting", his third consecutive number one hit. And it's gonna be a tough one to topple. But threatening at number 2 for a third week was Bobby Brown with "On Our Own." And coming on strong at number 3 was Paula Abdul with "Cold Hearted" which could be her THIRD consecutive number 1 hit. Who will rule at the top of the Billboard chart this week? The Shad战略 knows...on American Top 40.

2. FAST CLIMBERS :21

Hey, Shad战略 Stevens with American Top 40 and last week, bubbling just below our survey of the forty hottest hits in the U.S.A. we had some fast climbing hits. Poised to debut are the latest singles from the Beastie Boys, Starship, Fine Young Cannibals, and Tom Petty. Do they have the momentum...the verve...the gumption to push their way into the Top 40? Find out when we pick up the count again on American Top 40.
