To ABC Affiliates:

One of the ways ABC WATERMARK has been able to maintain our leading edge is by making effective use of the Sound Ideas Series 1000 and Series 2000 sound effects libraries. These libraries offer us over 5000 professionally recorded sounds to choose from and are available on compact disc.

Recently, Sound Ideas introduced their new Series 4000 "Hollywood" Library which you can read all about from the flyer enclosed.

Should you be interested in exceptionally good sound effects libraries, I would strongly recommend Sound Ideas. On behalf of ABC and its affiliates I have also retained a significantly discounted price for each library and the combined collection. They are listed as follows;

<u>LIBRARY</u>	<u>LIST PRICE</u>	<u>ABC PRICE</u>
Series 1000	\$1,250.00 US	\$ 950.00 US
Series 2000	\$ 950.00 US	\$ 725.00 US
Series 4000	\$ 495.00 US	\$ 400.00 US
Series 1000/2000	\$1,850.00 US	\$1,600.00 US
Series 1000/2000/4000	\$2,195.00 US	\$1,950.00 US

In case you haven't noticed, these prices represent important savings on incredible sound effects libraries and may be just what you need to heat up your productions. Sound Ideas has agreed to hold these prices until the end of February 1990 only, and they are exclusively available to you as ABC affiliates. For your interest, Sound Ideas now have their own Production Music Library as well. Their address and phone number are included in the HOLLYWOOD flyer. I know the Sound Ideas sound effects and music libraries will be tremendous assets to your station.

Sincerely,

Rod West  
Executive in Charge of Operations

DO NOT USE AFTER SHOW #4

1. THE BOLTON BLUES PUMPIN' UP :25

Hey, Shadoe Stevens on AT40. Last week, Michael Bolton was singing the blues, pain in his heart as he took his ballad "How Am I Supposed To Live Without You" to the top of the Billboard Chart. Well, just down below, Technotronic featuring Felly took their take on American House Music, "Pump Up The Jam", to #2. Will Michael maintain his #1 hold, or will Technotronic go sonic at the pop peak? There's only one way to find out as we count 'em down -- on American Top 40!

2. ROAMING ESCAPADES WITH A PRICE :26

Hey, Shadoe Stevens on AT40. Last week's countdown saw debuts by some of the hottest acts on the Billboard Charts: those cult crazies the B-52's were back, with a tale of wanderlust called "Roam". The English-American all-star band Bad English debuted to tell us the "Price Of Love". And the ruler of Rhythm Nation returned on an "Escapade". How high will they all climb to satisfy pop passion? Ah, D'Shadoe knows -- on American Top 40.
