**RE: DISNEY GRAD NITE PROMOTION**

For the past few weeks, you may have heard the **AT40/Disney Grad Nite** promotion running within the show. Two lucky high schools will get a free trip for 100 people to attend Grad Nite. **American Top 40** is very excited to be part of Disney Grad Nite.

If the winning school is from your listening area, that school can do "live reports" for your station with **Shadoe** from Disney Grad Nite. In addition, **Shadoe** will mention the winning school in an upcoming broadcast of **AT40**!

Every year, Disney opens their parks after hours for over 215,000 high school seniors for the biggest graduation bash of the year. An all-night party, Grad Nite is closed to the general public and features top name bands and unlimited use of the attractions. This year, Jody Watley, Stevie B., Kevin Paige, and Seduction are slated to perform.

Our own **Shadoe Stevens** will be hosting the festivities from Walt Disney World in Florida and Disneyland Park in California. Besides the placement of the promotional spot within the show, the Disney promo spot has also been placed on the enclosed disc. Perhaps your station could lift the spot off the disc and run the recorded promo outside of **AT40** in addition to the spots already scheduled within **AT40**. Make it a station promotion!

Any questions about the promo, please call me at **212-887-5218**. Thanks for all your help in making this an extremely successful promotion!

**P.S. The address your listeners should use to enter this promotion is:**

**AMERICAN TOP 40

1. CHART SISTERHOOD :28

Hey, Shadoe Stevens on AT40. And it was "Women's Week" at the top of the last Billboard chart. At #4 was Taylor Dayne with "Love Will Lead You Back". At #3 were the B-52'S featuring the two women in the group singing lead on "Roam". At #2, it was Canadian singer Alannah Myles with "Black Velvet". And ruling the #1 Pop Peak for a third week was Janet Jackson with "Escapade". Which woman will sing her tune on top this week? There's only one way to find out, as we count 'em down -- on American Top 40.

2. BIG GUNS MAKING CHART RUNS :28

Hey, Shadoe Stevens on AT40. And just below the countdown line of the Top 40, some big guns are making chart runs up the Billboard Hot 100. There's Cher, with "Heart Of Stone". There's Don Henley and "The Heart Of The Matter". Lou Gramm has a new solo hit, "True Blue Love". And back on the chart attack are the political rockers from Australia, Midnight Oil, with "Blue Sky Mine". Who'll make a daring debut this week? Ah, D'Shadoe knows -- on American Top 40.
