

ATTENTION PROGRAM DIRECTORS

You might have noticed an addition to this week's disc jacket...a commemorative label celebrating American Top 40's 20th Anniversary.

That's right, 1990 is the 20th Anniversary of American Top 40 and on July 4th weekend, we will be presenting a collectors edition of AT40: "American Top 40's 20th Anniversary Special". More details on that in the months ahead.

A very special thanks to the AT40 family of radio stations for their continued support throughout the years. Because of you, American Top 40 has been, and consistently is the #1 countdown show in the world.

1990 is sure to be the biggest and best year yet! Much excitement surrounds American Top 40 in our 20th year.

American Top 40...counting down the hits for 20 years!
