1. IN A DEPECHE MODE :25

Hi, Shadoe Stevens on AT40. The French name of these English techno-wizards means "fast fashion". In L.A. and New York, their popularity fills stadiums. Now, the rest of the U.S.A. is catching on to the fast fashion of the electronic beats and mood rhythms of Depeche Mode. They're climbing the official Billboard chart with their current hit "Enjoy The Silence". Will they enjoy their first top ten hit? Ad, D'Shadowe knows -- on American Top 40.

2. KIDS KLOUT KONTROLS :23

Hey, Shadoe Stevens on AT40. And those kids with clout controlled last week's Billboard charts. Their latest on the pop singles chart, the title song from that album hit #1. The New Kids On The Block took over the top "Step By Step". Will they rule from the pop peaks this week? There's only one way to find out -- as we count 'em down on American Top 40.
