1. VISION OF A POWER RUB :30

Hey, Shadoe Stevens on AT40. Last week, newcomer Mariah Carey spent her second week on top of the official Billboard chart with her first hit "Vision Of Love". But taking an energized leap to #2 with their first hit was the duo Snap, with "The Power". And holding at #3, also with his first solo hit, was Johnny Gill with "Rub You The Right Way". So can Mariah make it three weeks of a #1 vision? Will Johnny rub-a-dub-dub to the top? Or will Snap have the power at the pop peak? There's only one way to find out, as we count 'em down -- on American Top 40.

2. READY, SET, DEBUT :30

Hi, Shadoe Stevens, AT40. And these songs are climbing the official Billboard chart just below the countdown county line, looking to make debuts. There's "Can't Stop Falling In Love", a new one from Cheap Trick -- "Oh Girl", a new release from English singer Paul Young -- "My, My, My", Johnny Gill's follow-up to his top ten "Rub You The Right Way" -- and Phil Collins is back again with "Something Happened On The Way To Heaven". Who has the right chart moves to debut? Ah, D'Shadoe knows -- on American To 40.
