1. GONE TO BLAZES :33

Hey, Shadoe Stevens, AT40. Well, with his first solo hit ever, he burned up the official Billboard chart to #1 last week in a "Blaze Of Glory". Will Jon Bon Jovi stoke the #1 flames for a second week? Coming up fast to #2 were Wilson Phillips with "Release Me". And leaping to #3 with their second top 5 hit in a row was Bel Biv DeVoe and "Do Me". So will John still blaze at the pop peak? Will Wilson Phillips find a release on top? Or will Bel Biv DeVoe do #1? Ah, D'Shadoe knows -- and so will you, counting down with me, on American Top 40.

2. PRAYING FOR THE POP PEAK :34

Hi, Shadoe Stevens on AT40. Two years ago, he had the #1 album of 1988 and the #1 song of '88 with the title song "Faith". The album eventually gave him six top tens, including three other #1's, "Monkey", "Father Figure" and "One More Try". Last week, George Michael returned to the countdown, debuting up at #23 with "Praying For Time". It's from his new album, "Listen Without Prejudice, Volume 1. Will George hold down the top album and pop singles spots on the official Billboard charts again? There's only one way to find out -- as we count 'em down right here -- on American Top 40.
