1. CAT ON ICE TIN ROOF

:27

Hey, Shadoe Stevens at AT40. Well, she didn't pussyfoot around with her latest hit. It clawed its way up the chart and last week Janet Jackson was purring at the pop peak with "Black Cat". Just below, a cold front was moving in -- rapper Vanilla Ice had his first hit, "Ice Ice Baby". So, will Janet be the cat's meow at #1 again? Or will Vanilla Ice chill to thrill on top? There's only one way to find out, when we count 'em down right here --- on American Top 40.

2. IMPULSIVE HIT STREAK

:20

Hi, Shadoe Stevens on AT40. Their first two hits went to #1 -- "Hold On" and "Release Me". That was a chart first for girl groups, and last week Wilson Phillips debuted their third top 40 hit in a row, "Impulsive". Will that impulse take them to the top for a staggering, record setting third time in a row? Only D'Shadee knows, counting down on American Top 40.

3. SHE'S BAAACK ...

:26

Hi, Shadoe Stevens on AT40. She had the biggest selling debut album in history for a woman. Then her follow-up also went multi-platinum. She's already racked up 11 top 40 hits, including ten top tens and an incredible seven #1's. Last week, she returned to debut in the countdown with the title song from her latest and third album "I'm Your Baby Tonight". Whitney Houston is back! And we've got her -- right here -- on American Top 40.
